Maryland Sustainable Growth Commissioners

From: Frank Hertsch, Chair, APFO Workgroup

Subject: Quarterly Report

Workgroup Participants: Frank Hertsch, Chair, Greg Bowen, David Dahlstrom

The APFO Workgroup was charged with reviewing the reports of local jurisdictions on adequate public facilities development restrictions required by Land Use Article § 7-104 and assessing whether and to what extent adequate public facilities ordinances affect the achievement of the goals of the State economic growth, resource protection, and planning policy.

The APFO Workgroup has compiled 2013 data for the 71 major Waste Water Treatment Plants and is reviewing this data to determine available plant capacity and capacity within the Priority Funding Areas, including the methodology used to display capacity within the Priority Funding Areas. The APFO Workgroup is working acquire the 2014 data and will evaluate changes in plant capacity over the year.

APFO Reports are required to be submitted to the MDP every two years. MDP staff indicates that a notice will be sent to Planning Commissions to remind them about this requirement. The biennial reports are due by July 1, 2015. The APFO Workgroup will review these reports upon their submission.
